

## Product Change Notice – PCN2501-1

### Trackball Division

**Issue Date:** 23-07-25

**Product Change Notice #:** PCN2501-1

**To Our Valued Customer:**

We appreciate your use of NSI bv input devices. The purpose of this notice is to inform you of a change to the NSI bv product range.

**Change Title:** USB-PS2 Adapter no longer included as standard

**Change Type:**

- Environmental improvement

**Parts affected:**

The parts affected are in the following product series: LTSX50, MTSX38, SBS25, SBS38, SBS50, SPM55, SPS55, TBE38, TBL50, TBM34, TBS25, TBS38, TBS50, TBX50, TCL50, TCX50, TCS50, TSA50, TSW50, TSX38, TSX50, TSZ38, TSZ50.

**Change Description:**

We have updated our packaging policy and will no longer include the USB-PS2 adapter as a standard accessory.

**Reason for Change:**

To reduce waste and align with modern systems, which primarily use USB instead of PS/2 protocol.

**Effect of Change on Fit, Form, Function, Quality, or Reliability:**

There will be no change to the affected devices.

**Change to Function:**

There will be no change of the functionality of the affected devices. The devices will still be compatible with the PS/2 protocol.

---

### **Effective Date of Change:**

This change will apply to orders placed from August 2025 onwards.

### **Availability:**

If the adapter is necessary for your project. The product can be purchased separately for the price of €4,00. The order code for the adapter is **APPD-USBPS2**.

### **Notification Response:**

No response to this notification is required. Requests for additional data or support should be made within 30 days of notification. Please contact your NSI representative for further information.
